THE WESTERN STATE HOSPITAL

The expenses of the Western State Hospital have been reduced $4 per capita," To the majority of readers this seems a great achievement, but the writer of this, who knows how meager the fare already was, is horrified at the announcement. This reduction is but adding misery to those already miserable creatures, who should have the best of care.

As to the nurses' pay being increased, if their intelligence has been added to in proportion, then, I would say, increase it some more. Really there ought to be, at least, two middle-aged trained nurses in each of these institutions, to perform duties that are now performed by attendants wholly ignorant of what they are doing, therefore, causing unnecessary suffering. Just before the meeting of the legislature in 1906, the writer appealed to our representative from Alexandria in behalf of these afflicted people. After waiting awhile, the legislature was appealed to through the same representative. That paper never reached that body, but was turned over to a committee, to die in the waste basket.

The next appeal was to the hospital board, but was never heard from.

Lastly the governor was asked to act in the matter. In answer to his request, that the appropriation to these institutions be increased, on account of the necessaries of life being so much higher &c., I will call to your mind what was done. A bill was passed to admit every insane person free-whatever his or her circumstances—and also to pay that person's fare to the institution. At the same time, that same body of men forgot to appropriate any money to support these same people—who had hitherto paid their board, which they ought to do now.

Most of our insane people are in these institutions for life, and as a last effort in their behalf, I appeal to every taxpayer in Virginia to demand of our legislature larger appropriations and better food for these poor, unfortunate people.

I have cleared my "skirts," but not so with the legislature of Virginia and board of visitors to these institutions. The former either forget or ignore; the latter are satisfied with making visits at stated intervals, with looking at polished floors, etc., instead of going at meal time, unexpectedly, and seeing the kind of food these unfortunates eat. God will surely hold these men responsible.

RICH FATHER DISOWNS BRIDE.

Angered because his daughter married the man of her choice against his wishes, Harry N. Jaquith, a wealthy attorney of the exclusive Back Bay district Boston, Mass., has disowned his only child, Florence, who became last Thursday the wife of Dr. Edward S. Cowles, of Williamsburg, after a sensational elopement to Greenfield Hills, Conn.

Mr. Jaquith, the father, who is heartbroken, vows that the pair shall never cross the threshold of his home. The tearful pleadings of the bride's mother in their behalf have been in vain.

"I have disowned my daughter, Florence," emphatically declared Mr. Jaquith to a reporter. "My daughter disobeyed me, and married against my wishes."

"I am greatly surprised to hear of the attitude shown by Mr. Jaquith," said Dr. Cowles. "I can scarcely believe that he really is in earnest in his declaration that he has disowned his daughter."

Dr. Cowles comes from a proud southern family. He attended William and Mary College, the University of Virginia, and Harvard medical school, specializing in nervous and mental diseases. During the last year Dr. Cowles has been examining physician for the Emmanuel movement under the direction of the Rev. Elwood Worcester.

Here he met beautiful Miss Jaquith and sought her hand. They quietly slipped away a few days ago and were wedded. Dr. Cowles was appointed delegate to the International Tuberculosis Congress, at Washington, by his friend, Gov. Swanson of Virginia.

Mrs. Cowles is a striking brunette, and is considered one of the handsomest belles of the younger Back Bay set.

ALEXANDRIA HOSPITAL.

To the Lady Board of Managers of the Alexandria Hospital:

Ladies: I herewith present my report for the preceding three months June, July and August, with the following results: Admissions, 114; cured, 86; improved, 11; died, 4 Left under treatment August 31, 13. The mortality reduced from 12 last year to four, of this number 3 were emergency cases, 2 dying within 2 hours after admission, and one within 12 hours. As this is my annual report I beg to state that under the management of our superintendent with the assistance of her corps of nurses there is very little room for improvements or comments.

Yours very respectfully,
Dr. S. B. MOORE.

Do not let anyone tell you that something else is just as good as DeWitt's Kidney and Bladder Pills because there isn't anything just as good. Sold by W. F. Creighton & Co.

ALEXANDRIA GAZETTE AND VIRGINIA ADVERTISER

MONDAY EVENING, OCT. 12, 1908.

GENERAL EPPA HUNTON, one of the most prominent and most honored of Virginians, has been gathered to the fathers, he having died at the home of his son in Richmond yesterday. The deceased several years ago entered the octogenarian stage, and recently his sight and hearing failed him, although otherwise he retained his physical vigor. General Hunton became prominent in early manhood, and throughout his long and useful life he filled many positions of public trust, from the lowest rung of the ladder. In the evening of his life he became one of the senators from Virginia, after which he retired from public service. Throughout his long career General Hunton proved himself capable and faithful in every position which he had been called to fill, and his death will be regretted throughout the state.

AS WHAT is believed by many to have been a prearranged thing Col. William F. Stewart, who had been an "exile" at the ungarrisoned post at Fort Grant, Arizona, was retired from active service on Saturday. The report of the board which examined Col. Stewart was presented to the president on Saturday and he immediately directed that Colonel Stewart be retired. Col. Stewart has been a badly treated man but he incurred the displeasure of the president so he had to go.

THE New York Herald yesterday printed an estimate of the electoral situation showing how the democrats have created doubt in many republican states. It puts New York, Kansas, Idaho, Wisconsin, Colorado, Nebraska, Montana, Nevada, Indiana, South Dakota, Ohio and Utah in the doubtful column. This is a virtual admission from a high republican source that Mr. Taft's election is doubtful.

THE great size of the meetings to greet and hear Eugene Debs in New York and New England and the fervor of the people who pay to attend his meetings appear to mark a new era in the progress of the socialist movement in America. Mr. Debs is to continue his red special trip through the south where it is hoped he will be frowned upon as he deserves to be by all conservative people.

A SANGUINARY record for the football season was established at Schenectady, N. Y., Saturday, by the teams of Union and Wesleyan colleges, seventeen players being knocked unconscious during the game, and five of them being hurt so seriously that they were removed to the hospital. The officers of the society for the prevention of cruelty to animals must have been out of town that day.

UPON the theory that it is in conflict with the federal constitution, the new law limiting the workday of the railroad telegraphers to eight hours in the state of Wisconsin has been declared invalid by the Supreme Court of that state. This law was enacted by the 1907 session of the legislature.

THE president of Amherst College has officially abolished hazing, owing to the recent serious injury of two freshmen in encounters with members of other classes. The presidents of all the colleges in the country should do likewise.

From Washington.

Correspondence of the Alexandria Gazette.]

Washington, Oct. 12.

A. M. Herring, the New York aeroplanist, arrived in Washington today with his machine, which he is under contract to deliver to the Signal Corps tomorrow for tests similar to those which the Wright aeroplane underwent last month at Fort Myer. He is dissatisfied with the aerial course at the Fort, and will apply for a transfer to some other point. Herring's machine weighs about half as much as the Wright.

Eight members of the third class and sixteen of the fourth, of the U. S. Naval Academy, have been found deficient in their studies, upon re-examination, and the Navy Department board today approved the recommendation of the academy authorities that their resignation be accepted.

President Roosevelt will not deliver a political speech in Pittsburg and has declined the petition of the Allegheny, Pa., republican committee to take the stump.

Ex-Secretary of State John F. O'Brien, of New York, told the President today that the report of great democratic gains in his state was all nonsense.

H. H. Kohlsaat, the former newspaper proprietor, of Chicago, called on the president today to discuss the political situation in the middle west and in New York State. Later, he said he believed that the socialist party would poll at least 1,000,000 votes and that 70 per cent. of these would come from the democratic party.

The Supreme Court of the United States met today in its first session of the October term, and, observing the usual custom, adjourned almost immediately to call on the president. The court will be called upon some time during the next few months to pass upon the constitutionality of the Elkins act, through appeal of the Chicago & Alton Railway, convicted in the lower courts of accepting rebates in the Standard Oil case, and to decide whether the Interstate Commerce Commission can force answers to certain questions from the Harriman roads in line with an investigation ordered by Congress as to the purchase and ownership of stock of the Chicago & Alton, Illinois Central, and Santa Fe roads by the Union Pacific. Anti-pass legislation hangs also in the balance in the so-called express company cases which the court must decide. The question which has been submitted is whether, under the Hepburn law, express companies can issue franks to their own employees and those of other express companies and railroads for transportation of property. The court begins the present session with one of the largest dockets in its history, there being 572 cases against 480 at the opening of the last term.

Is the big stick to be invoked in the Balkan situation, with the object in view of bringing order out of European chaos and frightening away the spectre of war? Although this government has nothing to do with negotiations on foot among the powers to confer as to the Balkan situation, it was made clear today by a high official of the State Department that from the American point of view, international honor would receive a tremendous set-back if the terms of the Berlin treaty were to be violated.

An appeal to labor to vote for Bryan was issued today by President Samuel Gompers of the American Federation of Labor. It says in part: "Despotic power under the ermine is as dangerous as despotic power under the crown. To stay its progress some remedy must be had and we therefore appealed to the republican convention at Chicago. We asked forb read and they showed us a whip, and in order to be certain that the whip will be effectually used, the republican party nominated as its standard bearer, Mr. William H. Taft, the originator and specific champion of discretionary government, that is, by injunction." Gompers then proceeds to show why he thinks the working men should support Bryan.

STATE CONVENTION, U. D. C.

The tenth annul convention of the Virginia Division, U. D. C., will be held at Manassas, next Wednesday, Thursday and Friday. The first meeting will be held in the court house, where addresses of welcome will be made by Mr. H. Thornton Davies, Mr. Robt. A. Hutchison and Mayor C. A. Sinclair. Appropriate responses will be made on behalf of the convention. Wednesday evening a reception will be held in the Juniors' hall. Thursday morning and afternoon will be devoted to business. A historical or literary session will be held Thursday evening. Friday morning, Bull Run Chapter will give an excursion to the battlefield. The election of officers will take place Friday evening.

D. A. R.

The annual state conference of the Virginia Daughters of the American Revolution will meet in Petersburg on Wednesday. The sessions will be held in the Elks' Home and a number of delightful entertainments have been planned.

The officers are: State regent, Mrs. Samuel W. Jamison, of Roanoke; vice regent, Mrs. J. W. Harper, of Orange; secretary, Mrs. James R. Schick, of Roanoke; treasurer, Mrs. F. S. Effinger. The delegates will be entertained by the Francis Bland Chapter, of which Mrs. E. W. Finch is regent.

DEATH OF GEN. HUNTON.

Brig. Gen. Eppa Hunton, one of the few surviving general officers of the Confederate army, died at the home of his son, Eppa Hunton jr., in Richmond yesterday aged 86 years. Gen. Hunton altohough having retained his vigor had been blind and deaf for many months.

Gen Hunton attained military renown at Balls Bluff. He was a member of the Virginia secession committee, and voted for the secession ordinance. He was also on the military committee to prepare Virginia for defense. He resigned as a brigadier general in the State service to enter the regular Confederate army. He was promoted to a brigadier general after the battle of Gettysburg, where he was wounded following Pickett in his charge up Cemetery Heights.

Gen. Hunton was elected to Congress in 1872 and was reelected thereafter four times, retiring voluntarily. During his term of service in the House of Representatives he became prominent. He was a member of the electoral committee when Rutherford W. Hayes counted in as president instead of Samuel J. Tilden. He was appointed United States senator in 1892 to fill the unexpired term of the late John S. Barbour.

The death of Gen. Hunton leaves John Goode, of Mecklenburg county, as the sole survivor of the Virginia secession committee.

OVATION TO THE CARDINAL.

Cardinal Gibbons reached Baltimore yesterday at 3o'clock. Addresses of welcome were delivered by Governor Crothers, Mayor Mahool and Attorney General Bonaparte. A parade of about 10,000 men and boys followed, the cardinal reviewing the procession from the portic of the Cathedral. After expressing his thanks in the Cathedral the Cardinal bestowed the papal blessing on the assemblage. A reception followed by a luncheon was held by the cardinal in the archiecopal residence.

It is estimated that about 75,000 persons witnessed the parade.

Cardinal Gibbons made two addresses yesterday—one at the close of high mass at the Cathedral and the second in the afternoon, when he accepted a large silver loving cup, which are presented by nearly 100 of his non-Catholic friends of the city as a token of their esteem. Protestants, Hebrews and several spiritualists were among the donors and, after the presentation and acceptance speeches had been made, the cardinal circulated among the party.

A negro named Henry White, was shot to death by a mob at Younker, Georgia, Saturday night. White started out to kill the family of Thomas Allen on Saturday and on his way met another negro whom he shot and wounded for refusing to join him. He went on to Allen's and shot at him and his wife, running them away from their home. A posse captured White and placed him in the lockup. About 11 o'clock Saturday night a band of men took White from the lockup, carried him about a mile from Younker, tied him to a tree and riddled him with bullets.

Virginia News.

Edmund Dilger, son of Gen. Dilger, who died at Front Royal suddenly on Friday last, is said to have committed suicide by taking cyanide of potassium.

With a favorable change in the wind, and the lifting of a fog yesterday, a great fleet of schooners which had been weather-bound in the lower Chesspeake and Hampton Roads for a week, went to sea, spreading acres of canvas to the breeze.

It is almost practically assured that Col. Thomas J. Nottingham, who recently resigned his command of the Fourth Virginia regiment, will be re-elected to that position. This is the feeling among the majority of military men throughout the state.

During an altercation with a man who demanded that his carriage be allowed entrance to the Richmond fair one day last week, Mr. Henry C Stuart, president of the fair, struck the man a blow in the face and the controversy ended.

The great new lift bridge of the Norfolk and Western Railway over the eastern branch of the Elizabeth river was completed Saturday. The bridge has an opening in the clear of 145 feet. The eastern branch, closed to traffic during the construction of the bridge, is again open. The bridge opens and closes like a huge knife.

CHICAGO, 6; DETROIT, 1.

The world's championship games are going ahead under adverse weather conditions, which is having a sad effect on the attendance. At Detroit the opening game was played in a terrific rainstorm. The sky was blue at Chicago yesterday and the air clear, but the weather was intensely cold. As the series does not seem likely to last long, the players can already figure out how much they lose in comparison with last season, especially since the magnates are now forbidden to give bonuses to their men.

Detroit was again overwhelmed by the Chicago Nationals yesterday. Chance's men turned loose a terrific batting rally, exactly as on the previous day at Detroit.

Up to the eighth inning it was a fast and scoreless game, both Overall and Donovan pitching grandly and receiving fine support. Then the National League champions pounded the ball with tremendous vigor, driving in six runs before they could be halted.

Not in years has an apparent victor gone so completely to the bad as Donovan. For seven innings it had been impossible to hit him, but one scratch hit having been made, and he seemed to have the Cubs utterly tamed. Then, all in an instant, the scene changed, and man after man drove out long, crashing hits. A home run, a three-bagger, a double, and three singles marked the inning, which, with a wild pitch and some pretty base-running, netted six easy tallies.

The series is now conceded to Chicago by all except a few optimistic Detroit rooters. Jennings' team does not seem able to stop a concerted batting attack by the Cubs, and have now fallen twice over the last hurdle when they seemed to have an excellent chance.

SOUTHERN CASES COME FIRST.

Assignment of cases for the first day of the October term, which began today, shows that the Supreme Court of the United States considers the cases coming from the South, involving the validity of acts done by the railroad commissioners of southern states, to be among the most important before it.

The Virginia corporation cases and one from Louisiana, in which the railroad commissioners tried to reduce long-distance telephone rates, are set for hearing on the first day.

Another important case to come up at this term of the court is the famous debt litigation between the two Virginias. This case will not get into the courts, however, for final hearing until after a report has been made by the special master, Hon. Charles E. Littlefield, of Maine, who will be in Washington within a short while to hear such evidence as may be adduced by the two states.

Figet in a Church.

New Britain, Conn., Oct. 12.—Two men are in the hospital here seriously wounded and under arrest and five others are in the lockup as the result of a factional fight in the Holy Trinity Catholic Church here during service yesterday. Knives were wielded, chairs thrown, and even the altar candle sticks used as weapons in the fight between the Galician and Hungarian elements. It is believed that many who were hurt were carried away by their companions as blood was spattered freely over the church. The immediate cause for the fight was the singing of a new choir appointed by the Galacian faction which tried to drown out the singing of the regular choir. Rev. Zulitach did not participate in the fight.

The organized clerks of the New York, New Haven and Hartford railroad system have received word that the company will not accord their union the recognition it gives the other railroad brotherhoods.

The baby was buried under the falling plaster and mortar but was not hurt.

Three policemen on duty on the Williamsburg bridge, at New York, had a desperate fight with a temporarily insane Russian on the top of the Brooklyn tower, 335 feet above the river, yesterday afternoon. In the struggle of the man to leap from the structure he nearly dragged the policemen over the brink. The man said he wanted to kill himself because he had an aged mother, who was starving, and he could not get any work.

In the heart of Spartanburg, S. C., with its 20,000 population, a mob of infuriated citizens, at times numbering thousands or more, fought Saturday and Saturday night with the military and civil authorities for the possession of John Irby, a negro, who attempted to ravish Miss Lillie Dempsey. The young woman was on her way there from Saxon Mill Village, three miles away. Four persons were wounded during the conflict. The jail is still surrounded by troops.

Jones was arrested by officers of the Tenth precinct, where he is now confined. He declared the shooting to have been in self-defense.

The international balloon race, which started Saturday from the suburbs of Schmargendorf, Germany, was the occasion of a thrilling accident, two American aeronauts having a narrow escape from death. The American balloon Conqueror, the only American built craft in the contest, having on board A. Holland Forbes and Augustus Post, less than two minutes after the start burst at an altitude of 4,000 feet. For 2,000 feet it shot down like a bullet, and then the torn silk assumed the shape of a parachute, and the rapidity of the descent was checked. Coming close to earth, however, the basket smashed into the roof of a house, but the two men escaped with but slight injuries.

Today's Telegraphic News

The Balkan Situation

Constantinople, Oct. 12.—America disapproves of Austria's invasion of Bosnia and Herzegovina and Bulgaria's declaration of independence, according to the report credited to Ambassador John G. A. Leishman, who visited the Turkish Foreign Office today. Mr. Leishman is reported as assuring the porte of America's moral support but to have pointed out the impossibility of taking a hand in the trouble, not being a signatory of the Berlin treaty nor of having any direct interest in the situation.

Vienna, Oct. 12.—A rumor that Count Fergach, the Austrian minister to Servia, has been assassinated, has thrown the city into a fever of excitement. Communication with Belgrade is interrupted and no verification of the report can be obtained. The foreign office discredits it.

Belgrade, Oct. 12.—The Servian National Assembly today voted $3,000,000 as an extraordinary military appropriation. The assembly also adopted the following resolution:

"After hearing the government's explanation, parliament expects to exert the most vigorous activity to protect the nation's threatened interests."

Despite these war preparations and expressions, there is a quieter feeling among the people due to the recognition of Servia's unpreparedness for war.

Servia will demand the cession of a Sanjak from Austria as a compensation for the annexation of Bosnia and Herzegovina it was explained today. Austria has already offered to give the Sanjak of Novi Pazar to Turkey as a recompense for the loss of these provinces, and while Servia has no interest in Bosnia and Herzegovina other than that of racial kinship she will attempt to force Austria to make some sort of concession to her.

Budapesth, Oct. 12.—The Austrian consulate at Antvir, Montenegro, was attacked today by a mob, which tore the Austrian coat of arms from the door of the consulate, burned it in the street and then sacked the building. Authorities rescued the attaches of the consulate just at a time when their lives were in the greatest peril. Two Austrian warships are now en route to the scene of the outbreak.

Cettinje, Oct. 12.—Displaying the same warlike spirit that was manifested at the opening session of the Servian Skupshtina, the Montenegrin Parliament met here today in extraordinary session. Prince Nicholas addressed the Assembly.

"Austria has greatly wronged us," he declared. "If it is impossible for us to secure redress, otherwise we should be prepared to shed our last drop of blood."

The prince's appeal to the patriotism of his subjects aroused the utmost enthusiasm. The final attitude of Montenegro will be determined by the action taken by the Skupshtina. Prince Nicholas has promised to support Servia in any move it may make against Austria.

Spezia, Italy, Oct. 12.—In the fear of a Balkan war, the Italian fleet has been ordered to remain mobilized.

Paris, Oct. 12.—Germany, whose attitude has been the one stumbling block in the way of a diplomatic adjustment of the Balkan crisis, has receded from her stand, according to a dispatch published by the temps from what is regarded as a authorized course. Berlin's attitude has been that no violation of the Berlin treaty has been made; that Austria's action is annexing Bosnia and Herzegovina, and Bulgaria's secession from Turkey did not constitute a violation of the Berlin treaty. If the temps's source of information is correct Germany will now act with France, England at a conference to be called to readjust the entire near eastern situation, resulting from the present day ineffectiveness of the Berlin treaty.

Boy Suffering from Leprosy.

Philadelphia, Oct. 11.—Isolated in an out building in the rear of the Camden County Hospital at Blackwood, Charles Clark, a 16-year old boy, is suffering from leprosy in its last stages. The boy had gone about for months mingling with people in Camden before the nature of his madady was known. Clark came from his native land, the Island of Barbadoes, about three years ago. The dread disease appeared several months ago and the lad was taken to a hospital in this city. There he was given treatment for a time, but finally discharged as incurable. No inkling as to the nature of the disease was given to the authorities. Recently the sufferer became so badly affected that the overseer of the poor house to whose attention the case was called, had him conveyed to the county hospital. There the doctors diagnosed the case and reported to the authorities who lost no time preparing for suitable isolation of the patient.

Women Threaten War to the Knife.

London, Oct. 12.—Unless prominence is given to woman's suffrage in the King Edward's speech at the reassembling of parliament tomorrow the suffragettes will turn loose their "dogs of war" again and the promise to harass the government more than in any previous campaign.

Deputations of women will listen to the speech and will hasten from the parliament chamber to make a report to the "women's parliament" in Caxton Hall.

If the speech is sufficient the suffragettes will immediately renew their attacks on Premier Asquith to give suffraget legislation. If he proves noncommittal, the women will decide on the House of Commons in a rush which will be the preelude to a series of attacks on Parliament house and the residence of ministers.

The suffragettes admit that they expect little from the forthcoming parliament, and Mrs. Emily Drummond, one leader, said today that it would be "war to the knife."

New York Stock Market.

New York, Oct. 12.—London speculators who made most of the war scare in that market last week took alarm at the more favorable character of the news in regard to the Balkan over Sunday and were hurried and urgent buyers of stocks in this market at the opening. During the first fifteen minutes the tone continued extremely strong with further advices all around the room. The tone continued strong all through the first hour with further advances in some stocks.

For Chronic Diarrhoea.

"While in the army in 1863 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by W. F. Creighton & Company and Richard Gibson.

Thaw Remanded.

White Plains, N. Y., Oct. 12.—Harry K. Thaw was remanded to Matteawan this morning by Justice Isaac N. Mills. Following Justice Mills decision argument was began upon the question of producing Thaw before the federal court in Pittsburg as ordered by Judge Arnold. Justice Mills ruled that he could not now interfere in the case in view of the appeal now before the court of appeals based on points of law. This appeal was brought on the ground that Justice Dowling's commitment of Thaw to Matteawan is irregular.

Thaw's mother, Mrs. William Thaw, his sister, Mrs. George Carnegie, and his brother, Joshua Thaw, were in the court room.

No evidence was produced by the petitioner to support his plea that he is sane and Justice Mills merely affirmed the decision previously made by the judge.

To be Release on Bail.

Chicago, Oct 12.—Luman C. Mann, son of the vice president of the Mann-McCann Railway Supply Company, under arrest here on a charge of strangling to death Mrs. Fannie Thompson, in a Michigan avenue rooming house, on July 1 last, will be released on $25,000 bail this afternoon. He will be given a hearing before Municipal Judge Gemmill on October 19. Mrs. Thompson's naked body was found in her room two days after she and a man giving the name of "Frank Raymond," appeared there. She had been gagged with two handkerchiefs and a towel was bound about her mouth. Her hands were roped behind her back and there were the marks of boot heels on her face and body. Mrs. Thompson formerly worked as a domestic in the home of Mann's father. Mann declared he was in New York during the whole period of the woman's employment at his father's home, and that he never saw or heard of her until she was murdered.

Fish Combine.

Crisfield, Md., Oct. 12.—Frederick Thronton and Charles Maderix left Crisfield this morning for Chicago, where they will meet several capitalists of that city who are forming a fish combine to control the fish business of the Great Lakes, and of this, the center of the fish industry of Maryland. The new organization will be incorporated and large local capital will be invested. The new company, it is said, will be capitalization at $1,000,000, and will increase the amount as the business demands.

Interesting Facts.

The B. M. Hyde Drug Co. Offer cine to Cure Catarrh. The Medicine Costs Nothing if They Fail.

When a medicine effects a cure in 98 per cent of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure Catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Alexandria to substantiate. We wantthem to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician whose specialty was Catarrh, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rexall Mucu-Tone than we do all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Much-Tone is, it would be the only catarrh medicine we would have any demand for.

Rexall Mucu-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membranous tract, destroys and removes the parasite which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucocells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50c and $1.00. W. P. Taylor, 616 King street.

THE BALKAN TROUBLES.

At a secret session Saturday night at Belgrade of the Servian parliament 66 deputies voted for war and 93 against it. Prof. Jovanevics, one of the leading agitators for war, was elected president of the Skupshtina. The lower house reassembled at 4 o'clock in the afternoon, when Foreign Secretary Milanovics made a speech in the secret session advocating a prudent policy. It was as a result of his earnest warnings that the war advocates who were previously in the majority, changed their attitude in sufficient numbers to save the situation, and the vote, as already announced, was against war.

Two Austrian flags were burned by a mob in Theater Square, Belgrade, yesterday morning.

The Servian government's reply to Austria's request for an explanation of the mobilization of Servia's force has been forwarded to the Austro-Hungarian goverment. Leaders of the war party cooled when informed that war was impossible because of the scarcity of ammunition.

Servia's revenge will temporarily consist of a boycott against Austro-Hungarian commerce.

Only the First Servian Reserves have been called out, making 400,000 men under arms.

LETTER TO GEORGE WISE

Alexandria, Va.

Dear Sir: Nobody insures a $1'000 house for $2000, because everybody knows that the company pays only for the damage, whatever that was, and no more.

If people knew that it costs twice as much to paint with $1.25 paint as with $1.75, there wouldn't be much $1.25 painting done.

There are people who think $1.25 is cheap for paint, and they paint their houses with it; two gallons for one. It takes two gallons of $1.25 paint to make one gallon $1.75; and it costs $3 a gallon to paint it.

One gallon $1.75; $3 for putting it on; $4.75. That's the job.

Two gallons $1.25 each, $2.50; $6 for putting it on; $8.50. That's that job.

It isn't worth while to insure a $1000 house for $2'00; it isn't worth while to paint two gallons for one. It takes money to pay for that extra $1000 that never can come; better buy a lottery ticket. It takes money to paint that extra gallon of whiting, china-clay, barytes, ground stone, benzine, water, whatever it is—it isn't paint; paint is lead-zinc-and-oil; that stuff is milk, not paint. It isn't worth while to paint skim milk.

Devoe is the paint that takes least gallons to cover the house—don't forget the $3 a gallon for putting it on; and don't paint skim milk. Yours truly,

F W DEVOE & Co.

DEMOCRATIC MEETING.

The meeting of the Bryan, Kern and Carlin Club on Saturday night was fairly well attended, the weather being very inclement. Mr. R. D. Brumback, the first speaker, was introduced and he spoke of conditions as they existed in this country at present. He compared the principles and workings of the democratic party with those of the republican party and closed his remarks with an appeal to the voters to stand loyally by the nominees of the party and work hard to increase Hon. C. C. Carlin's majority. Mr. Howard W. Smith was then introduced and spoke highly of the qualities of the democratic standard bearers. He referred to the principles of both parties and asked for a comparison of the two. He referred to the benefit to be received by the election of W. J. Bryan and urged harmony in the ranks and appealed for a united front on the day of election. On tomorrow night Hon. H. St George Tucker will address the democrats at the Opera House. Mr. Tucker is a forceful debater and it will be a rare treat to hear him. The members of the City Council, city officials, the democratic committee and the executive officers of the Bryan, Kern and Carlin Club are invited to take seats on the platform. The gallery has been reserved for ladies. Mr. S. G. Brent, president of the club, will introduce the speaker.

BURIED TODAY.

The funeral of the late Henry Strauss took place this afternoon at 3 o'clock from his late home, 407 Prince street, and was conducted by Rabbi Stern, of Washington. The services were attended by the members of Alexandria-Washington Lodge and Andrew Jackson Lodge of Masons and Alexandria Lodge of Elks, and members of the Merchants' Club. The active pallbearers were Messrs. R. Lee Field and Wm. Baader, representing the Elks; R. W. Arnold and L. Ruben, representing the Masons; M. Wollberg, B. Weil and E. Goldsmith, representing the synagogue; and S. H. Lunt, a personal friend. The honorary pallbearers were Messrs. Charles R. Hough, I. Eichberg, F. F. Marbury, John M. Johnson, Henry Baader and L. H. Thompson. A large number of friends were present to pay their respects to his memory and followed his remains to the cemetery. The interment was in the Jewish Cemetery. The floral tributes were beautiful and profuse. While the cortege was on its way to the cemetery the bell in the City Hall was tolled by order of acting Mayor Curtin.

ACCUSED DISMISSED.

Officer Knight this morning cited P. W. Harvey, who conducts a saloon in the northern section of the city, to appear before the Police Court on the charge of selling liquor to a minor. The order was made at the instance of Wm. H. Travers, who alleged that Harvey sold liquor to his son, who will not be 21 years old until the 25th of next January. The complainant averred that he had previously warned the saloonkeeper of the consequences of entertaining his son. Harvey in his defense showed that he had followed the father's instructions, and that his son had not obtained liquor in his saloon since last January. It was also alleged that the youth had stated that he was of lawful age. The accused was dismissed.

SUNDAY DRUNKS.

Several men were before the Police Court this morning charged with being drunk on the streets yesterday. All but one (a soldier from Fort Myer) were fined. The offender had remained over his time and he will be fined $20 when he shall have returned to the fort. Several other men who were on the streets yesterday in a drunken condition managed to steer clear of the police. The Sunday law is still being violated in Alexandria, but the parties who dispense liquors on that day seem hard to apprehend.

TWO WOMEN FIGHT.

Maggie Baker and Bessie Marshall, young colored women, became engaged in a fight in a house on north Henry street last Saturday night, during which bottles were used as weapons. The Baker woman was compelled to go to the Alexandria Hospital to have a wound on her head dressed. Officers Gill and Knight arrested the women and they were brought before the Police Court this morning when they were fined $10 each.

SALE BEGAN TODAY.

The sacrifice sale advertised by Bernheimer & Co., to take place today has started and the store has been crowded with people getting unprecedented values. Seasonable wearing apparel will be sacrificed during the next few days and now is the time to get what you want at your own price. Each customer receives the same courteous treatment which has made the store a popular place.

DIED AT HOSPITAL.

John T. Boothe, sixty-five years of age, died Saturday night at the Alexandria Hospital of heart disease. The deceased was born in England, and recently came from Pittsburg to Accotink, Fairfax county, where he made his home. His funeral took place at 2 o'clock today from Pohick Church.

TRUSTEE APPOINTED.

Mr. Charles Bendheim was today appointed trustee by Walter U. Varney, referee in bankruptcy in the case of the American Loktile Company. He qualified by giving the necessary bond.

MYSTERY DEEPENS.

The mystery surrounding the killing of Allen and Edward Fair and the wounding of their brother-in-law, Thomas Posey, near Manassas, last Thursday, deepens. The only two witnesses to the tragedy, Thomas Posey and his wife, confess their inability to remember all of the grewsome details of the double fratricide.

In an interview yesterday Mrs. Edward Fair was unsparing in her denunciation of her dead husband. She said that time and again during their married life he had threatened her life with gun and axe.

Thomas Posey, or "Tuck," as he is called, admits there had been some unpleasantness between himself and Edward Fair, growing out of a trivial matter. When asked about the immediate occasion of the quarrel which led to the killing, Posey said: "Jealousy of Harvey Cornwell, about twenty-two years old. But I don't suppose Lucy ever spoke to Harvey. He accused her of being with him, but he was innocent."

"Tuck" Posey's version of the events of Thursday night in which he bore so conspicuous a part is as follows:

"Al and I heard him cursing his stepmother. When we got there he was very ugly, but went away, and shortly after returned, still with his gun. I tried to get it from him and he struck me over the head. When the gun exploded the shot struck me. He then shot Al. All the time we were struggling for possession of the gun. Minnie helped Al into the house. When she returned Ed nearly had me. I told her to get the axe, which she did. Ed was much larger than I, and I was weak from pain and loss of blood, and as I could strike with but one hand, the first blow did not kill him. I continued to strike him with the axe until I got back into the house. I was all in."

Mrs. Posey's story is practically the same as her husband's.

"When Mrs. Edward Fair returned, she said: "Oh, Tom, have you killed Ed? If you haven't, go finish him. If you don't, he will come in and mob us all."

The grand jury meets today, and a number of witnesses have been summoned.

POLICE COURT.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

John Truax, charged with interferring with Constable A. J. Payne in the discharge of his duty, was dismissed.

William Robinson and Harry Brown, charged with being drunk in the streets, were fined $5 each.

Rawlett Stamps and Walter Turner, both colored, charged with disorderly conduct, forfeited their collateral by failing to appear.

James Brown, colored, charged with disorderly conduct and fighting, had his case continued.

Abel Sayers, charged with being drunk and disorderly, was dismissed.

Bessie Marshall and Maggie Baker, both colored, charged with disorderly conduct and fighting, were fined $10 each.

P. W. Harvey, charged with selling liquor to a minor, was dismissed.

LEG CUT OFF.

A young man claiming Chattanooga, Tenn., as his home passed through this city on his way to Maryland Saturday and reported that George Lloyd, of this city, who left here with Robbins' circus, had his leg cut off at Norfolk a day or two ago while unloading a 15-ton wagon. It is said that the manager of the circus was compelled to make arrangements for the boy's care before the circus was allowed to vacate the city. It will be remembered that two young men by the name of Lloyd and Smith left this city with the circus.

GRAND JURY FOR WEDNESDAY

The grand jury summoned for Wednesday in the Corporation Court is as follows: Messrs. C. B. Swan, Frank S. Harper, Louis Bendheim, E. E. Lawler, W. B. Smoot, Chas. P. Waller, R. E. Acton, Wm. E. Bain and B. Baer, jr. About seven cases will be presented to the jury for examination.

The fall term of the court will be opened tomorrow morning.

REPORTED AGROUND.

The Norfolk steamer has reported that a two topmast schooner is aground off Port Tobacco creek. The vessel is lying easy and it is understood that owing to the fact that the tide was unusually high when the schooner ran aground, it will be impossible to float her for some time owing to the prevailing northwest winds.

ELKS' MEETING.

A called meeting of Alexandria Lodge of Elks was held Saturday night at which it was decided to attend the funeral of ex-Mayor Henry Strauss in a body. The pallbearers were selected to represent the order, as will be seen in connection with the funeral notice.

AMUSEMENTS.

The people of the city were afforded a rare treat on Saturday night, for the moving picture houses never showed to better advantage. Tonight will be just as good, if not better. Special shows have been arranged and a general good time is expected.

At the Opera House there will be an entire change in pictures, a good comedy and strong dramas. New vaudeville, the two Frankfords, song and dance artists. Mr. Busey will sing "I'm Starving for a Sight of You."

At the Alexandria Amusement Company the following will be presented, "The Stolen Duck," "Rosa, the Italian Flower Girl," "The Hands" and "Rheumatism." These are all first class reels and must be seen to be appreciated.

The Elite Picture Company will give tonight one of the best shows ever offered the public one hour of motion pictures. "The Pardon," "A Strong Gale," "A Lord for a Day," "Mystery of the Mountains," and "Contagious Nervous Twitching." The above subjects are very fine, and if you have the blues we will cure them for a nickel.

CHURCH NOTES.

The Second Presbyterian Church was the scene of several stirring meetings yesterday in connection with the Laymen's Missionary Movement Conference. At the morning service Rev. Motte Martin, of the mission in the Congo Free State, Africa, delivered a powerful address on the work in his field, and at 2:30 in the afternoon he again told of his work to a church packed full of children. At 4 o'clock there was a men's meeting and the address of the meeting was delivered by Mr. J. Harry Tyler, of Baltimore, on the subject "What business has a business man with missions?" At the evening service the church was again filled and the congregation heard two powerful addresses by Rev. D. Clay Lilly, D. D., on "A man and his money," and Rev. J. O. Reavis, D. D., on "God's call to men." The Westminister League Quartette sang at both the afternoon and evening services. An informal conference was held this morning and at 11 o'clock Rev. Motte Martin told more of his work. The big closing meeting at the conference will be held tonight at 8 o'clock at which time Dr. Lilly and Dr. Reavis will again speak and all the men of the city will do well to take advantage of this opportunity to hear these two powerful speakers. At this closing service the ladies are also invited and the whole church will be open to both ladies and gentlemen, as far as there may be room.

KNIGHTS OF COLUMBUS.

Plans have been completed by Fitzgerald Council, Knights of Columbus, for the celebration of "Discovery Day" tonight at the Young Men's Sodality Lyceum Hall. An interesting musical and literary programme will be given also. The programme includes a sketch by the Carroll Institute Dramatic Club of Washington. At the conclusion of the programme refreshments will be served by Rammel Bros. and there will be dancing. The members and their lady friends have been invited to be present. There will be no cards of admission. The following ladies and gentlemen will render the programme: Misses Anita Dietrich, Agnes Downey, Marguerite Curtis, May Austin, Anna Cochran and Messrs. James O'Shea, Bernard Woener, Maurice Fitzgerald, of Washington; Misses Kathryn Brill, Madeline Byrne, Janet Rowen, Kathryn Birrell, Mrs. A. D. Montier and Messrs. Richard Wirt, Benj. Wheatley and Martin Green of this city.

TEACHERS MEETING.

Routine business was transacted and Miss Pearl Hoffman was elected delegate to the State Association which meets at Newport News, next month.

RELEASED.

Chas. O. Bowles, colored, who was arrested October 7th on suspicion of being connected with the murder of a policeman in Portsmouth, Va., some time ago, was released this morning. Every test was applied to his case, but it was found he was innocent of this charge, hence his release.

MONDAY EVENING, OCT. 12, 1908.

SAYS HE SAW GHOSTS.

Because he claimed he saw many kinds of spectres and ghostly forms of dead people, James Mackey, 25 years old, who says he is from Chicago, made an unsuccessful attempt upon his life by slashing himself with a razor last night. Young Mackey went to Salisbury, Md., about a week ago and secured employment in one of the mills of the Jackson Brothers Lumber Company. He is said to have been a good worker and while his actions were more or less suspicious at times no attention was paid to him.

Mackey frequently told his fellow workmen that he saw forms of dead persons, but the weird stories were not credited by his associates. Last night cries were heard near the railroad station and a few moments afterward Mackey was found lying on the tracks by Lee Gillis with two ugly gashes in his throat and another gash in his wrist. Dr. C. R Truitt was summoned and the man's wounds were dressed. Mackey was later removed to the county jail.

When seen in his cell he stated his only relatives were in Chicago. He said he was sorry he had made the attempt upon his life but that he was driven to distraction by the constant appearance after dark of unearthly figures from the spirit world.
